CONVEYANCING QUALITY SCHEME

We are members of The Conveyancing Quality Scheme (CQS) which provides a recognised quality standard for residential conveyancing practices. For further information about the scheme see <http://www.lawsociety.org.uk/for-the-public/accredited-specialists/conveyancing/>.

We have professional obligations under the scheme and The Law Society Conveyancing Protocol. Our commitment to the use of the Law Society Conveyancing Protocol has enhanced our conveyancing service further ensuring even higher standards of client care, speed and efficiency when acting for you.

Under the scheme there are requirements to provide and share information in each key stage of the transaction. By instructing us you are agreeing to us complying with our obligations under the scheme.
